Our Learning

This week our class is reading a story titled *Wolf!* The story's about a wolf that sees other animals reading books and wants to read, too. We can tell how the characters are alike and how they are different. They are alike because they are all talking animals. The pig, duck, and cow can read but the wolf can't. That's a way the characters are different. It's fun to compare and contrast the characters as we read.
